Re: RR 12L-87
Winning Our Future

Dear Mr. Jordan:

Prior to obtaining counsel, the treasurer for the above-referenced committee sought an extension of time to prepare and submit a written response. We understand that an extension was granted until January 4, 2013.

Subsequently, our firm was retained to represent the committee and treasurer in this matter. Given the nature of the issues involved, we will need additional time to obtain and review extensive documentation and information regarding the committee's expenditures and reporting. In addition, we anticipate that our preparation will be hindered over the holidays when persons with relevant information, including third parties, will be difficult to reach. Accordingly, we request an extension of an additional week, until January 11, 2013.

We appreciate your consideration of our request.

Sincerely,

Lawrence H. Norton
